

8415: Attendance and Truancy Policy

Rhode Island state law 16-19-1 requires all students between the ages of six and eighteen years to be registered in and attend school regularly.

Studies show a positive correlation between good school attendance and academic success. Absenteeism, tardiness and early dismissals disrupt the continuity of learning. Attendance at school is part of a student's permanent records and parents/guardians are urged to assist the school by supporting the attendance policy. It is the responsibility of the parent or guardian to encourage and monitor school attendance, report absences according to the attendance policy, and work cooperatively with the school to solve any attendance issues.

Encouraging regular school attendance is a multi-pronged effort, including:

- Establishing a school environment that engages students
- Having all students known and monitored by at least one adult
- Clearly articulating the expectation that students will attend school
- Having consequences that encourage students to attend school
- Understanding and responding to why a student is not attending school

This school district policy attempts to establish a set of standards that will ensure a consistency across the district, while also allowing a school's administrative personnel the flexibility of individual response.

Elementary and Middle School

DEFINITIONS:

Excused Absences

Excused absences include a student's participation in an approved school-sponsored activity, suspension days, religious holidays, family emergencies (to be approved by an administrator), doctor or medical professional excused illness or injury (a note from a doctor or medical professional must be submitted within 3 days of the absence) or funerals, and acute or chronic illness.

Acute Illness: When a student has a medical need that does not require on-going/long term care, (i.e.: knee surgery, etc.). A note from a doctor or medical professional must be given to the school. Subsequent absences due to the nature of the care will be considered excused. Families must give the reason for absence(s) due to the nature of the illness or follow-up care.

Chronic Illness: A student that requires continued medical care with a doctor or medical professional, (i.e.: type II diabetes), must provide documentation at the onset of treatment. Subsequent absence(s) due to the nature of the illness or follow-up care will be considered excused. Families must give the reason for the absence(s) due to the nature of the illness or follow-up care.

All students are expected to attend school. Appointments with doctors, dentists, etc. should be made at times other than during school hours. Students absent due to illness or suspension on the day of a school-related activity (e.g., athletic event, drama, dances, etc.) may not attend that activity. Extenuating circumstances may be presented to an administrator for consideration.

Unexcused Absences:

Every absence is considered "unexcused" unless a phone call by the parent/guardian has been received stating the specific reason for the absence by the attendance office. For an absence that is one or more days in length to be considered excused, a note from a doctor or medical professional must be received within 3 days of the absence. Student absence from class for purposes of family travel or vacation is a loss of valuable class time and is strongly discouraged. The number of days missed will be counted as unexcused absences.

Please note: Parental/guardian permission in and of itself is not recognized as legitimate reason for absence.

Truancy

A student is considered truant when he/she purposely stays away from school without parent/guardian permission. Students who do miss school with parent/guardian permission, however, can be considered truant at the discretion of the administration.

INTERVENTION PROCESS:

The administration will notify parents/guardians of excused absences, unexcused absences, tardies and/or early dismissals.

Parent/guardian is required to call the school to report their child's absence prior to the start of school. The school attendance office will attempt to contact the parent/guardian regarding absences if the school has not been notified.

First Stage: Whenever a student is absent without parent/guardian notification, the school will contact his/her parent/guardian to ascertain the reason. When a pattern of absenteeism, tardy or early dismissals develops, resources within the school will be utilized to improve the attendance.

Second Stage: A minimum of five (5) cumulative unexcused absences, tardies and/or early dismissals may prompt a telephone call and/or written letter to the parent/guardian requesting an explanation. An internal review by the principal and/or support personnel may occur depending upon circumstances.

Third Stage: After ten (10) cumulative unexcused absences, tardies and/or early dismissals a letter will be sent and/or a conference will be scheduled with parents/guardians, the student, the principal/designee and other professionals, as needed. A referral may be made to the Truancy Officer.

FAMILY TRAVEL/VACATION:

A student's absence from class for purposes of family travel or vacation is a loss of valuable class time and is strongly discouraged. The number of days missed will be counted as unexcused absences. Teachers are not responsible for preparing schoolwork that a student will miss during a vacation that is not scheduled during school vacation periods.

EARLY DISMISSALS:

By Rhode Island State law, dismissals from school for any reason are considered part of a student's attendance record. In keeping with our efforts to maximize instructional time, early dismissal from school is discouraged, and will be granted only for business that cannot be conducted after the close of school. Reasons for early dismissal shall be limited to: illness, doctor's appointment, court appearance, family emergency verified by the parent/guardian, educational reasons given prior approval by the school administration.

A written request for early dismissal signed by the student's parent/guardian must be presented to the office on the day of the early dismissal. Parental phone calls requesting an early dismissal are discouraged and must be approved by the Principal/Designee only in the event of emergencies.

This request must contain the child's first and last name, date, time, reason for dismissal, telephone number for verification, and parent/guardian signature. The nurse is responsible for early dismissals due to illness, and parent/guardian verification prior to dismissal is required.

MISSED ASSIGNMENTS:

The teacher and/or guidance department can work with the student and family to coordinate a mutually agreeable timeline for work to be completed.

APPEAL PROCESS:

Students and/or parents/guardians who feel aggrieved because of action taken as a result of any section in these regulations may appeal said action to the school administration level at which the action was taken. Further appeals may be taken to the Superintendent of Schools and finally to the School Committee. Further appeals after the School Committee decision may be taken through the process as defined in Title 16 of the General Laws of Rhode Island.

FAMILY TRAVEL/VACATION:

Teachers are not responsible for preparing schoolwork that a student will miss during a vacation that is not scheduled during school vacation periods.

TARDINESS TO SCHOOL:

South Kingstown High School does not distinguish between excused and unexcused tardies. Students who have an outstanding personal or medical circumstance that prevents them from coming to school on time should speak to their school counselor and provide the appropriate documentation. Students who arrive to school late must sign in at the attendance office where they will receive a pass to class.

Each Tardy

Upon entering school, students who arrive to school with an unexcused tardy will automatically receive a teacher detention. That detention is to be served after-school the day the student is tardy.

Parents/Guardians will be notified by the automated telephone system each time their son/daughter is tardy to school.

TARDINESS TO CLASS:

Each student and teacher has the right to expect class time free of interruptions such as a student coming into class late without a verifiable excuse.

Students who arrive tardy to class without a pass will receive a teacher-assigned detention. Students will not be allowed extra time to make up work if they arrive tardy without a pass.

Students will be allowed to enter class at any time with a pass from a staff member without any consequences. However, teachers will retain the right to send students back to the Attendance Office if the late arrival to class/interruption causes a disturbance.

CLASS CUTS:

Unauthorized absences from class are prohibited.

All class cuts will be added to the number of unexcused class absences.

All class cuts will result in administrative intervention.

EARLY DISMISSAL

In keeping with our efforts to maximize instructional time, early dismissal from school is discouraged, and will be granted only for business that cannot be conducted after the close of school. Reasons for early dismissal shall be limited to: illness, doctor's appointment, court appearance, family emergency verified by the parent, educational reasons given prior approval by the school administration.

A written request for early dismissal signed by the student's parent/guardian must be presented to the office on the day of the early dismissal. Parental phone calls requesting an early dismissal are discouraged and must be approved by the Principal/Designee only in the event of emergencies.

This request must contain the child's first and last name, date, time, reason for dismissal, telephone number for verification, and parent/guardian signature.

Such requests must be presented to the attendance office in accordance to handbook procedure for approval.

All students who have submitted the paperwork to be dismissed early must report to the Attendance Office to sign out prior to leaving the building. Students returning to school must sign back into school at the Attendance Office.

The nurse is responsible for early dismissals due to illness and parent verification prior to dismissal is required.

Under no circumstances shall a student leave school without first reporting to the Attendance Office. Students not reporting to the office prior to leaving school may receive a disciplinary consequence.

PARTICIPATION IN CO-CURRICULAR ACTIVITIES

In order to participate in a co-curricular activity sponsored by South Kingstown High School, students must be present in school during the day. Co-curricular activities include but are not limited to drama and music rehearsals and productions, proms, school dances, and athletic practices and competitions. Exceptions for any absence or dismissal on these days must have prior approval of an administrator. Advisors/coaches are responsible for monitoring student attendance to determine which students are eligible to participate on the day of the activity. Students who arrive later than arrival times noted in the handbook or leave school prior to 12:30 pm will not be allowed to participate in a SKHS-sponsored afternoon or evening activity.

MAKE-UP WORK FOR EXCUSED ABSENCES

The responsibility for make-up work due to an absence lies with the student. A student who has excused absences must contact the teacher within two days of his/her return to school for make-up work. The teacher and student can decide upon a mutually agreeable timeline for the work to be completed. Parents may access assignments via the online grading service on the school website at www.skschools.net.

Students excused from a specific class due to an appointment with a school counselor, assistant principal, etc., will be allowed to make up the work provided that they inform the teacher prior to the appointment whenever possible and the student contacts the teacher by the end of the day to make up any missed work.
